My dear Professor Campbell:

I have your letter of the third instant in reference to SITTING BULL. I have anxiously looked for some advance statement in regard to your publication, in order to put it in two of my publications that I am getting out, in a list of Biographies.

If you can tell me if SITTING BULL is the exact title, who the publisher is, its cost, and just a brief statement as to the content of the book, not more than four or five lines, I would hope to get a statement of this kind in my enlarged and revised edition of "How to Teach Wyoming History by Counties."

Respectfully yours,
