Superintendent O. C. Upchurch,  
Fort Lapwai Indian Agency,

Dear Superintendent Upchurch:

I trust you received my letter containing a questionnaire with regard to Sitting Bull's relations with the Nez Perce Indians. I shall be very grateful to you if you can arrange to let me have the desired information in the near future as I shall be on the road visiting Indian agencies in this country and in Canada beginning June first. Thanking you for your great kindness, I remain

Yours sincerely,
