

He claims to be the grandson of  
Sitting Bull's third wife, & a  
good many other things, about  
which there have been questions  
as to their authenticity.

May I say that I enjoyed your  
treatment of the subject much  
more than that of other authors.  
You are more sympathetic &  
present your case in such a  
manner, that, I'm sure your  
readers are persuaded that we  
white people have perpetrated  
a great injustice upon our Red  
brothers.

The lack of information in our  
U. S. history books is appalling!  
No wonder! I'm sure if our men  
in Congress were as well informed  
as you are; & as they could be, if they  
cared to, they would be far better  
fitted to consider correctly the Civil  
Rights bill now which they are
