

material aspects of Sioux culture (clothes, weapons, etc) is difficult. The only worthwhile collection is at the British Museum, and I have so far only been able to spend a morning there. London is usually a holiday place for us, and my wife is not keen on spending her holiday in museums.

Anyhow I trust I will have the pleasure of hearing from you some time in the near future. I assure anything you can tell me concerning Sitting Bull will indeed be most gratefully recieved, I remain,

Yours faithfully
