Dear sir

Seeing in the Rapid City paper where you were gathering data for the biography of the famous indian Sitting Bull I thought you may be interested in the peace pipe I have of his. now don't think that this is a fake pipe. it was left to me by an officer who retired in 1892 after serving through the civil war and almost the rest of his services in the west. if you are interested in buying it let me know and I will give you more data and the officer name and price I will take for it. I will also furnish an affidavit to the effect
