Mr. Rudolph Cronau  
474 Bellewood Avenue  
Philipse Manor  
North Tarrytown, New York

Dear Mr. Cronau:

I was very happy indeed to get your letter praising my book on Sitting Bull. I read your published accounts of your visits with the chief, and made some effort to reach you before publishing my book. I should be very interested in seeing your portraits and other relics of the chief and shall look forward to seeing your reminiscences in English. I trust you will inform me when they appear.

Yours very cordially,

Walter Stanley Campbell
