Mrs. H. O. Cypert
Rt. 2 N. Washington Street
Stillwater, Oklahoma

Dear Mrs. Cypert:

Sitting Bull's brother-in-law, Gray Eagle, is now deceased. I suspect the Gray Eagle mentioned in the news stories recently is his son or possibly his nephew. I do not happen to know him personally though I knew old Judge Gray Eagle rather well. Take a look at LIFE this week, May 11 issue, page 18, for my letter about Sitting Bull. I will take another look for the Sitting Bull family names I collected, and if I find them will enclose them in this letter as you request.

Thanks for the address of Charles S. Spencer, Superintendent, Standing Rock Agency, Fort Yates, North Dakota. I am returning his two letters which you let me see.

The name of one of Sitting Bull's twin sons was given to me as Tom Fly.

Cordially yours,

S. CAMPBELL
