Dear Dr. Campbell:

With this letter I am sending you a copy of "A New Pictographic Autobiography of Sitting Bull", recently published by the Smithsonian Institute. I trust that it will meet with your approval.

I am working upon a Dakota Winter Count and find it quite an adventure.* It is no doubt of Hunkpapa origin and is dated from 1798 to 1923. Your books, especially "New Sources of Indian History," are most helpfull and just packed with data. Unfortunately, "New Sources of Indian History" is out of print. I am advertising industriously and hope to add it soon to my collection of reference books.

With best personal wishes, I remain

Sincerely,

Alexis A. Praus
