Norman, Oklahoma

My dear Mr. Campbell:

I just now received the Money Order for \$15.00. My mail was forwarded to me here but this was the only money I received as did not get the \$15.00 check you mentioned as being returned to you.

Now, Mr. Campbell, I am determined to come down to see you and also the Indians of Oklahoma and perhaps stay through the winter. Am anxious to see you personally regarding the Sitting Bull and other material that may be of interest to you.

So please send me fifty dollars at once & upon receipt of this I shall start down.

I got this far and do not care to turn back. Some Indians are here and have planned to come down to Oklahoma and I have planned to join them.

I shall certainly appreciate anything you may do for me. I shall expect this money eagerly.

Very sincerely R. H. Highgate
