I am also interested in buying <sup>21</sup>old metal pipe tomahawks of every description, also old U. S. stamped envelopes, and covers postmarked from various Oklahoma and Indian Terr. towns. Do you happen to have any of these, or do you know where I might obtain anything in this line.

I have read through twice your book on Sitting Bull - it is absolutely the best thing I have ever read on the subject. I have not had the pleasure of reading anything else, from your pen.

Awaiting your early reply

I am yours very truly
