Herr Gottfried Hotz
Zurich Seminarstrasse
Switzerland

Dear Mr. Hotz:

I have your letter of August 17, in which you say that you would be willing to pay a few dollars for a copy of the painted cloth contained in Sitting Bull's medicine bundle.

If you care to send me \$10 00, I will undertake to find some competent artist to make a reproduction. Of course, I can not supply the other objects you mentioned as they are now unobtainable.

I trust this will be satisfactory.
With kindest regards I remain

Yours very truly,

W. S. Campbell
