

W. J. ...

mean page 164: that the women were digging tipsin. And page 165 is written, that the famous black with white face and stockings were given Sitting Bull by Makes-Room. But it seems he possessed it already in the year 1856. If this would be the same horse, it were at least 24 years old. Or is the horse of the Custer fight another animal?

Mr. Weygold in Louisville, Ky. knows me. Once more I thank you that you have written this biography.

Very sincerely yours
