Dear Mrs. Hertzog:

Thanks very much for your trouble in writing me and letting me see the story about your uncle Mr. Towers. I found it very interesting and I am returning it herewith.

Thanks, too, for returning my check. I appreciate this, as there was nothing in the article about Sitting Bull which is not already recorded in my book about Sitting Bull published in 1932.

I am glad to know that your uncle, unlike so many mistaken people, describes Sitting Bull as a "war-like chief." That is correct. Some people keep on telling the old false story that he was "only a medicine man."

With kindest regards,

Yours cordially,

W.S. CAMPBELL
