

NINTH QUESTION: (In Miss Densmore's book I have read several songs made by Sitting Bull and she says that many songs are sung now about Sitting Bull and also songs that he made, and not all of these songs are in her book. I do not want the music now but I do want the words of some of the songs Sitting Bull made. I want the words in the Dakota language and the English also.)

WHAT ARE THE WORDS OF THE SONGS SITTING BULL MADE?
