Mr. W. Campbell  
"Stanley Postal"  
Norman Okla.

Dear Sir - Acknowledging receipt of yours of  
23rd ult.

I wondered who could be the  
correspondent in Oklahoma when  
the letter was handed me this morning!

I just express the hope that  
Mr. Croster will be prompt in giving  
you his reactions to the story I sent  
you. It certainly sounds <sup>very</sup> more or  
less fishy, but coming from the source  
I still think the man told the truth.

And if so - and if Croster's rec-  
lection matches mine - the incidents  
named certainly add interest to the  
history of the massacre at Little  
Big Horn. I shall await notice of  
the publication by both of you.

My son has illustrated several  
books for these publishers.

Kind regards Sincerely Yours  
F. L. Rogers
