

83 June # ^{noted} 41

be an enemy of the whites. The pale-faces
we needed in order to hunt. We needed ammunition
never sold that much land. (Here SB picked up
little of the pulverized dirt in the tent,
blow away.) I never made or sold a treaty
to claim my rights and the rights of my
from my land and I now come back to claim it
on the United States Government. I never stood

any depredations in the white man's country. I never
bleed. The white man came on to my land and followed
the fight for my hunting grounds. The white man made me
friends, my women, and my children."

er gives me a reservation I do

any part of it. I want no restraint. I will keep on
to go where I please. I don't ~~agree~~ want a white man
agent. I want to have the white man with ~~me~~ me, but
this because I want to do right by my people, and c
to trade with them or talk with them. I want inter-
ite man for ~~mex~~ and transact my business, but I want
hat I have my rights. I want my people to have
They do not know how to handle heavy wagons with
s and ponies. I don't want to give up game as long
I be half civilized will the game is gone. Then I

and a
to work
at light
my game
a white
