Mrs. Annie Brown  
Little Eagle, South Dakota

Dear Mrs. Brown:

My daughters and I are happy to hear from you and glad that you received what we sent. We are very sorry to know that you have been sick, but glad that you are better.

I would like the Wasna plain without salt or sugar, but if you can send a little with salt and some with sugar also, the girls would like that too.

My daughter sends you the enclosed Christmas present.

Yours truly,

W. S. Campbell
