Dear Mr. Campbell:

I am very sorry that I neglected you and your daughter, but now I am sending you the wasna to you and the bead works to your daughter, what I have promised her.

But I hope you and girls are getting along fine in health and work. As for our part my girls and I were sick for two months but we are all better now. But I think living in Tent during winter is some thing terrible you can catch colds easy. I always thought that my husband should use that magic cloth of Grandpa
