

make you a watch job too,
 my husband sent all his belongings
 home from Alaska.

Maybe they are
 going to move some where else
 But I told him to be brave
 here to fight for your children
 relatives, peoples and country.

And I told him
 to brace up and be here
 because his grandfather One
 Bull and his great great grand
 father Sitting Bull were brave
 Chiefs.

I really feel lonesome at
 times because the children and I
 all alone and my husband being
 away in Alaska. But I always
 pray that U.S.A. will win
 this ^{war}, and my husband will
 come back some day and be
 happy with his little family.
 And I will pray that your
