Dear Sir:

Your letter of December 23 addressed to President Stratton D. Brooks regarding the record of Sitting Bull, the Dakota Indian Leader has been referred to this office.

I have searched through the records in this office but have been unable to find any record of Sitting Bull's attendance here. I am wondering if at any time he was known by some other name. If you can give me any additional information I shall be very glad to make another search.

Very truly yours,

J. W. Canada
