Mrs. Gertrude Bonnin,
37 Bliss Building,
Washington, D.C.

My dear Mrs. Bonnin:

I am returning herewith the material you sent me with your kind letter of July 25th. Thank you very much.

If you can send me copies of the Senatorial investigations reports I shall be glad to see them, too.

I anxiously await your decision as to the trip to Dakota. You can help me a great deal, and my book will aid your cause.

My little holiday of a few days comes soon. The Arapahoes are about to make their Sun Dance, and one of them- an old friend- has asked me to come and see it. But a letter will always reach me here.

Cordially yours,

W.S.CAMPBELL
