Dear Sir.

John Koons, a half bred Crow Indian, is the only one living of my acquaintance who knew Sitting Bull. Koons was visiting the Crow Agency, Montana, a short time since. Captain North, of Columbus, Nebraska, is a Veteran of the Sioux War, and was probably acquainted with Sitting Bull.

General Hugh L. Scott, of Princeton, New Jersey, knows more of Indian history both ancient and modern than any other man living
yours sincerely
H. G. Burnett.
