

Sept 21. 9 A.M.

I forgot to tell you that the Dakota or Sioux Indians were a Nation or Confederation composed of several Tribes, something similar to the Iroquois or Iroquois of New York.

Sitting Bull was of the "Hunk-pa-pa" or "Unk-pa-pa", or "Une-pa-pa" or "Une-a-pa-pa" Tribe, of the Sioux Nation.

The name "Sioux" meant "Cut-throat" from the French. The Indians themselves called themselves the "Dakotas" or "Dakotas" or "Da-ko-tah's."

The spelling is that of the several different writers or authors
