

J. P. S. If you were Campbell +  |  
are corresponding with Dr. Grace R. Hebard  
and you feel like writing her - you can  
tell her - whether my writing - was of any  
interest to you or not + my friend Dr. Hebard  
is a Good Historian - and we are doing our best  
to get the true history of the early days of Wyoming  
and as I am proclaimed the Oldest timer in Wyoming  
been here 72 years - I been brought up here from  
a 7 year old kid + Dr. Hebard and myself has by  
request - from other great Historians from many  
cities - in the united States - to help them out  
with their Books - we have done so + one Historian  
of Texas - sent me \$5.00 twice - to get the names  
and exploits of my old acquaintances + from the  
early days - of the 60's + both of wyo - and montana  
perhaps you have heard - of calamity Jane + madams  
mustash - and other sporting girls of the wild  
and woolly west - as it is called - This Texas  
writer got very much interrested in what I wrote  
a part them + this is two years ago - when his Book  
came out a part one year ago - He sent me and  
Dr. Grace Ramond Hebard - one of his Books - it is quite  
interesting reading - and many engravings or pictures  
of these people + the title of the Book is The  
wild Cats of the west - so if you think it will  
be of any interest - to you - I will send you by Parcel  
the Book - By you promise to send it back to me  
when you are through with it - as here is so  
many both women + and men
