Implicated + in Helping the Writer
of this Book + I knew Calamety Jane
when we were both in our 17th year
and that was in 1865 - in Montana
also other Sporting Girls + you
will find their Pictures in the Book
If there is any thing you wish
to know about this wild + woolly
west as it has been nick named,
I will be glad to do so + as far as
I know myself + both me and
Dr Hebard - Has Helped many
writers out + in many different
States + + wish you success

Truly yours -
