Mr. Milton Bernard,
73 Harold Street,
Milton, Massachusetts.

Dear Mr. Bernard:

Thanks for your kind letter of November 23 praising my life of Kit Carson. My estimate of Custer was sincere but I do not claim to be infallible. Perhaps I may be able to gain a truer conception of General Custer's abilities in my next book, a life of Sitting Bull, ~~on which~~ I am now at work. I believe I have a good deal of fresh material to offer on the Custer Fight and when my book comes out next fall I shall hope to have your opinion of it.

Yours very cordially,

W. S. CAMPBELL.
