

I found considerable about Bouguère  
in "Ten Miles" Personal Reflections"  
& so sent you a post card to call  
attention to the fact.

Enclosed find prospectus of  
a book I helped get up it  
might be worth while for your  
University Library to have it - but  
don't waste your personal  
funds on it

In haste

Sincerely yours

J. C. M. M.
