Dear Sir

Sometime ago I received \$2.00  
from you but forgot to tell you  
about it or I am notifying  
you that I got that \$2.00.

At that time you as be  
one of sitting bull making  
peaks with a white man  
or soldier by the name of  
Big Coat. And the interpreter  
was Big Coat one of the  
Breanna, a hazy breed.  
I was within 50 yds from  
where they stood when  
they shook hands.
