Mr. Stanley Vestal,  
The University of Oklahoma,  
Norman, Oklahoma.

Dear Sir:

Your letter of March 29th  
was duly received and referred to me.

Careful search reveals the  
fact that Luther Standing Bear was in the employ of  
John Wanamaker Philadelphia forty-five years ago.  
He was engaged September 17, 1884, and resigned June  
19th, 1885. His work was in the Invoice and Audit-  
ing Sections.

It may interest you to know  
that one of the attendants at the Philadelphia Zoolog-  
ical Gardens is a Levi Levering, an Indian whose  
tribal name is Chief White Horn. He lives at 126  
South 22nd Street, Philadelphia. Mr. Levering knew  
Standing Bear and helped us somewhat in fixing the  
time the latter was with us.

We do not ask for any credit  
for furnishing this information but are happy if we  
have been helpful to you.

Yours very truly,

*L. R. Airds*

For-JOHN WANAMAKER PHILADELPHIA.
