Dear Mr Campbell;

I sent you the answers
to your questions in two sepa-
rate rolls sometime ago I
hope you received them

I saved out two or three questions
to ans later but I have mis-

every day, so everything has
run in a turmoil. I heard
from Mr Crawford lately
he is resigning so he can
have more time to write.

The weather has been extreme-
ly cold so that I could not
leave home but in dians
