Mrs. J. F. Waggoner
Keldron, S. Dakota

Dear Mrs. Waggoner:

I was very happy to get your letter enclosing the Sioux Winter Count, and thank you for your kindness in making a copy.

I am sorry to learn that you have been ill. I have been in bed with a bad ear for two weeks myself. The winter down here, of course, is nothing like so cold as you have, but it has been bad this year--cloudy, wet and cold.

I am sorry I do not have a copy of "Dobe Walls". The book sold out and no more are being printed.

With kind regards to you all,

Yours cordially,

Walter S. Campbell
