

Seeing down and the Process.
The fannicible of anemum +
teem is as little regarded
among Indians as whales -

They will often sacrifice 2 or 3 men
to in their efforts to carry off one
who has fallen - (dead is valued)

Canyon | @ Iron Bridge in a boat -
McKusick 1867 tried to run
kumuk through to the fort on the Big Horn
Big Horn Canyon - but lost his
+ was wrecked with his party.
Canyon 60 mi long? $\frac{1}{2}$ mi high

Cambodian Song No. V (from on
Biden
From the Greeley Daily
Co

Songster 40 lines

"The Peerless Man"

June
1874

"Ours" the man to fight it out
Match him match him
He will put on Rads to rout (2)
Match him if you can
For the "White House" he is best
And upon a mission sent
He shall be "our President"
Match him if you can

Wagon Box Fight

Tale Story
by Jas Bisbee
in
Montana Hist
Soc

Powder River Country

Why I don't fight

Red old told our officer - "I know
you can wipe out my tribe. But
I am fighting for my home. It is
a choice between staying or
being killed, + if I I would
rather be killed." (This is ^{my} Bisbee's
Indian
Philosophy. From the Standard
it is right - But should not be
Civilization of the 19th century
and a little solution is the question
of starvation + destruction of a race?)

It is now a great headland to
