

His wife died here some years ago, and
a son also died here named William
Sitting Bull. His daughter Mrs Amos
Litter Dead last April 1978, leaving
Two children Eli spotted Horse, and red
spotted Horse, and has one daughter still
living named Jennie Scars, nee Sitting
Bull. The above all live about 70 miles
North west from near Ogala, So. Dak.
This is the best I could do under present
condition of the Roads, pretty rough
