Dear Sir:

We are unable to enlighten you on the whereabouts of Scout E. H. Allison. He left Dayton shortly after the book was published and we have never heard from him since. We took the matter up with the authorities at the Soldiers Home where we thought he stayed while here and are enclosing our letter to them and their answer.

Regretting the fact that we can do no more in this respect, we are

Yours very truly,

THE WALKER LITHOGRAPHING & PRINTING COMPANY.
