

These old men
to be consulted, again, will
naturally expect a tip from
me. Circling hawk will be
alright for he will get the
five dollars. It is very
essential that you advance
me about \$15⁰⁰ or \$20⁰⁰ including
my reward. and I could go
about and visit these men.

You must remember we do not
live in one community, but
along (Grand River) east to west
end of Bullhead Dist about
40 miles. This could be verified
by Mr Higheagle. I have my
own car I could use.
