mule has blinders  
roy blue pants color?

No. 24 - S. B. strikes a white soldier with coup stick. Takes his scalp and mule. S. B. wears a war bonnet, carries a bow. His horse has a scalp tied to its bit. Soldier wears black hat and jacket. The mule is saddled.

what about S. B.'s shirt - ? color?

No. 24. S. B.'s shirt represents a form not known to me, if it is of native manufacture at all. (perhaps a woollen jacket?)

In Devils Lake Country
