

whiskey--BTHs says they got lots of whiskey off Custer 'S MEN IN CANTEENS TAKEN.

Circ Hwk says you could smell whiskey on the field after the fite.

OBl hd Inds drank fr Custer's flasks.

Coleman and others sold whiskey at mouth of Powder River to SS..canteens held 3 pts

3 dollars wprth.. (Smith also) fr Je to Dec '76 the trade with the soldiers
netted \$40,000.00 and more than a hundred barrels of forty-gallons ea.

ff to mouth of Rosebud, sold more there..then ret. some say they ff Custer troops.

Arikara Nar. p 207-8 p 71.

soldiers rd tent of trader looked like swarm of flies.

Likker will fite for us better than than bullets

for effect of likker on Army..see Miles, pp 232 ff

SD camp..

many sweat lodges, and in them sand pictures representing the Soo on one side--and the
enemies on the other(rep by hoof trax) and between them enemies with heads towrds
Soo..SB vision carried out..

hieroglyphics ancient--not Soo.. dead men were drawn(above)

all these things--stones painted red..buf skulls and calfskin offerings meant to
the Arikara that the Soo were sate rto win..
