Sir-

Sorry but practically all of the old timers with whom I was acquainted have passed away during the past few years. However John D. Klinger, 1941 Selby Ave., St. Paul may be able to give you some information about early times in S. Dak. I donot know him personally. He was one of the founders of Pierre S.D. Think he has interesting knowledge regarding the end of Arkansas Pete a bad man of those days. Doubt if he knows much about Sitting Bull.

Sincerely,

*James C. Ferguson*
