

Feb 18-79 (NB - not given in typed list) copied also  
2/28/79

British blame famine for rest of NB to hunt in USA  
- f. due to great no. of US lands concentrated in Canada

5 yrs maximum period over which bison will feed 1 sub  
fear of strife bet SB + Amer lands - C. lands excellent timber  
in spite of cut into their own food supply -

Apr 27 Mar 79 - confidential telegram to C O Marmier  
told SB that he cannot hope for safety in Canada if  
he makes hostile prep. vs the Queen's allies (USA).

Feb 19-80 - Events to Hamilton - <sup>Emile note of</sup> (ref to 14 Nov 79)

SB + all S (except 30 lodges) were in Dec 79 on NS side of line  
well armed + plenty of AM - no actual hostilities yet - + maybe no  
need for mil. force - yet must warn you - sug that NM might  
ban the entry of S to Can? or disarm em?

Feb 5-81 -

need of "some" understanding which these predatory  
incursions" must be ended - Refer to note 27 May 79

US troops are !! may hostiles have come in to USA - prevented

SB still a worry -

now is time Canada to repel any attempt of SB  
to cross into " or ~~enclose him as a British~~  
+ "domicile him as a British Ind; under due restraint  
of surveillance + subjection" allay alarm on land
