*- A woman.

In view of the fact that many of the students are girls, I think it a pity to omit celebrated Indian women.

The names listed above will all be found in the HANDBOOK OF AMERICAN INDIANS NORTH OF MEXICO. If you will refer to that, I think you will see why I have chosen them.

Of course, I have not been able to consult the sources for all these names in the short time since the book was proposed. It may be that some change will have to be made when the work begins.
