

in the flooring <sup>5-</sup> there was a small  
hole thru which some of the  
corn fell. This man would  
hold his blanket under this  
hole and catch some of the  
corn hastening the floor  
with a small stick his  
mother made hominy  
~~to~~ so her family might eat  
One night as the indian  
went to get more corn he  
met the sentry on the corner  
of the building, the sentry  
presented arms, and asked  
who was there a friend or foe?  
but the indian not able to under-  
stand him kept on walking  
The sentry shot into him  
some of the indians were  
fleeing west carrying their wounded
