Mr. Walter S. Campbell
Univ. of Oklahoma
Norman, Okla.

My dear Mr. Campbell:

We were particularly interested in what you had to say about your story of Plains Indian life and you may be sure that we will take pleasure in examining this work with a view to publication.

In order to be sure to have your book ready for the Christmas trade we should like to have the manuscript in our possession by the middle of July at the latest. I fully agree with you in the matter of having adequate illustrations but I trust you will be able to arrange your material into shape by early summer.

Trusting we may have the pleasure of hearing from you in the near future,

Faithfully yours,

RICHARD G. BADGER
