 whoLe, wnjie you gon on at your leigure with the remainjng work. I sone-
 good dele wo chin boes on.

In pheparation for this ondeter I heve rese overpthing I

 Wion regending thas chenter/.

w. Whtorjars und pote in riste 5\%. I enolose tractngs of the denfacs of Msints pots tound by the peabory poople on these viluape ation end ziven In theit Munems 1906.
3. the viacere-I cosume thet the vilage from tharlwing's hadre pleoe (1)efe 3) vas that of Mcxianlian's Plate s8.

5. Dlete 58 also shows the viluece from the pajure side.
6. The dance of the buffalo band is thet nictured in mamilian- 27 5xrow whit duseribed by Gatlin.
\% Viniaro..theie 1 s a good view of the viluate ot pamees, shong tha wople olustored on the roots in flotive viluge sites Fest of the Mesto aipoi--13. 3 3u21....
8. Netureliy, th big soone of this chopter is the interior of the fraden lodge, dan I supposo you wil weat to use that for your prithoinel silusitretion. If so, you bie no houbt femiliex with Bodner s viow mex. PI 52. fy dazoridion ontis ecrtoin details, as you mill note--1. the horses..

 hita. Moxepver, it sacns rabler ormaped to me, and is probably one of the wintex Lodges, which were sablier and ned the rindbreak.

However, i have rotaline the onch bepore th windbreak en pictured, are Le it sogas conventont to ake the lode no lexcor then this, well ond

I pat the kotile on a tripod, ss representied in Cotiln, pege plete 62

9. The paintod tobe you vill need no aeso abtion of, as you know this Rax better then alyono else.in Amerioti However, I baopted the idsa of
 figure 6.) of the mair pionoes by arace. I do not fine this in Marimilien Flate 54. nor in the photograph you so klady gave me, bot suppose thet Catilin cound cogy a robe correotly.

Ioto me have your augestions.
