Dear Campbell:

I have decided to go to Missouri a few days earlier, leaving tomorrow evening, which would make it possible to be back in Louisville on September 1 or Sept. 2 or even before that time. I would much prefer to meet you here and my sister suggests that you and your family stay with us while you are in Louisville, since we have a room and probably also a garage (if our landlady does not return prematurely) to accommodate you.

A meeting in St. Charles would be less desirable and convenient, since the place where I am going to stay is not in the town itself but about three miles out in the country and not on the highway to Kansas City.

~~The question is whether you can go by way of Louisville, and if so, when you could be here. Are you bound by a definite date when you must be in Oklahoma?~~

Please let me know whether you could be here in Louisville, say on September 1 or 2 or what date would suit you better and address your letter or card : c/of Mr. Louis G. Saeger, R. R. No. 2, St Charles, Mo. I would then make my plans accordingly, since I am anxious to meet you and show you something of my work.

Hoping that it will be possible for you to stop over in Louisville and with my best regards to your family

yours, as always,

*Frederick Weygold*
