

Sitting Bull, the Sioux leader, visited Washington several times, probably in 1884, 1885, 1888, and later, (perhaps 1886). Where can the speeches of Sitting Bull and his companions be found recorded, in what issues of the Congressional Record, etc..

A Mrs. Weldon, (Welton, Walden) went to Standing Rock Agency in June 1889 and made friends with Sitting Bull. Agent McLaughlin gave out stories to Washington papers about her and Sitting Bull. In what papers and what issues of these papers do these stories appear?
