

- 1 - In what issues of the Chicago Times did articles, probably by Charles Diehl, appear during February, 1881 describing the surrender of Sitting Bull?
- 2 - What cigar was most popular among the miners in Montana 1860-70?
- 3 - What was the market price of a magazine rifle, Henry or Winchester, in 1876?
- 4 - What were the names of Sitting Bull's two fighting nephews?
- 5 - In what issues of the Chicago Times or Chicago Herald did articles on the Ghost Dance appear in 1890?
- 6 - Stories criticising a Mrs. Weldon who represented the Indian Defense Association and who befriended Sitting Bull on the Standing Rock reservation, Dakota Territory, were published in papers in Washington, D. C. in 1888 and 1889. I wish to know in what papers and what issues these satires appeared.
