Dear Weygold,

You will be pleased to learn that "Happy Hunting Grounds" has been adopted by the State of Oklahoma for school use. I am glad you are writing Carnahan. I hope if he makes a deal of the sort you suggest, you and I may get our share. Carnahan does not seem to have much hope of selling "Happy Hunting Grounds" abroad.

Thanks also for the letter on Sitting Bull. I am looking forward to the Indian masks which you are sending.

Cordially yours,

W. S. CAMPBELL.
