My dear Mr. Campbell:

Answering your letter of April 24 we have nothing on either of the two men named, Brughiere or Allison. Mr. C. B. Lohmiller who was agent at Fort Peck Indian Agency for many years is to be there for the summer this year and he may have some knowledge of the men mentioned. You can write him at Poplar, Montana.

Have you written the South Dakota Historical Society for information on Allison? His article on Sitting Bull was published in their Collections. Will be very much interested in the biography of Sitting Bull when published.

Very truly yours,

David Hilger
