Visions not wholly visual

voices, songs  
motor imagery -  
tactile + kinesthetic impressions  
(animals in belly)

most of visions of war - because war stands 1st  
in social esteem -

4<sup>th</sup> day time for visions - power of mystic members -

Sacred song almost universal in visions

factors often adopted by visitant -

old stories of visions also influence (trees turn into  
foes)

No priestly caste - any individual served, if his vision  
was of that sort - conspicuous success made a man  
"extraordinary" - doctors were often specialists -

Some had gift to locate hostiles, diff. missiles, make new  
routes or new shields -
