

Come we generally come here, then we went back to Black Hills & found many whites year before Custer fite. - many whites among Ind in Black Hills & many fites.

Did Ind think they could run the whites out? Doesn't know what Ind. that were you in army above fite? I was in 3 around Black Hills - S.B. older man & stayed at home. Only few younger went -

Bravest stunt of S.B.? when S.B. shot by sold. - fites of sold come to camp & Ind saw & Ind got on horses & chase sold. - S.B. foot horse & arrives first - tries to take sold of horse but sold takes his pistol & S.B. gets shot thru left hip out thru small of back - did not fall off horse - rode upon left side of sold. - W.B. saw all - after S.B. shot didn't fall off & started back - about 6 or 7 mi to camp. -

2nd WB was 3rd.

3 start him for home - 2nd holds him on home - S.B. dad was M.D. & stopped bleeding - S.B. did not faint nor say anything - S.B. was ~~hurt~~ & Banded up before arriving home. - 1st to reach S.B. was J.B. - 2nd - ? - 3rd W.B. who helped take him back. - S.B. leader of, was party & was named "S.B. Wounded" - How many warriors out? - about 100 -

where happened? - In Mont. - Between Big & Little Mo. - on Kibleer mt. - When S.B. wounded? - 1st part of fite about noon.

Length of fite? - Don't no. - went home. Did women move camp? - women & child, scared & left - waffer sold. "Crazy."

About same time a <sup>white</sup> woman was captured by S.B. - ? - there was Ind. named Brings Plenty who capt. woman & wouldn't (ota weha)
